**Mrs Butler, Food Technology Teacher.**

Hi year 6!

My name is Mrs Butler and I will be a year 7 tutor in September as well as your food technology teacher.

I have been a teacher for 7 years but spent the first 3 years teaching PE & food science in New Zealand! I joined BCA 2 years ago and since then the school has installed 11 new kitchen areas, which I am very excited to show you! I love working at BCA, everyone is very friendly & I am sure you will all make new friends & gain new memories very quickly.

In my spare time I like to spend time adventuring, either hiking up mountains, coming down on mountain bikes or kayaking along rivers, the faster the better! I am also passionate about food, healthy eating & baking bread! All of which I hope to share with you during our time together.

I am excited about being with you for the start your new journey at this amazing school and I hope you cannot wait for September.
