Mr D Garrett - Science

Hello 7DMG,

I have worked at BCA since November 2020, so this will be my first full year at the school.

So far I have loved working with all the great teachers and staff at BCA – but even more so the AMAZING students.

I am a Physicist and so teach Science here, I studied physics at university, as I wanted answers to my big questions about the

I am normally in my room on the top floor of the Chevalley building - C207

Lego and Star Wars are two of my favourite things, I also like Harry Potter and reading Sci-Fi books.

My favourite Football team is Celtic ☘ Hail Hail ☘

I really like heavy rock music, I love going to concerts.

My favourite food is Hot Dogs, more importantly my favourite thing to drink is IRN BRU

I have 3 children and 4 step-children so there are 7 children living in my house – I've got a big red bus to fit them all in. My oldest son is starting yr7 this year too.

I am so excited to have a new yr7 tutor group and I hope the next 5 years together will be great fun!
