Mrs Sheila Baker Academy Leader

Hello year 6!

My name is Mrs Baker and I have been here at Bridgwater College Academy for 4 years. I love working here within this community where we promote the 3Rs (Respect, Responsibility, Resilience) in all that we do and say. This is the BCA way!

I teach History, and love especially the teaching of twentieth century conflict, as it is so relevant to today's world. I have great respect for the past. If you don't know where you've come from, you don't know where you're going!

You will see me every morning welcoming you in to our school by the A Block at 8:20 am. You will also see me on duty in the morning, at break time and lunch and after school.

I live on a farm, and have cows, sheep and chickens! I can even drive a tractor! I am a keen runner, and have completed lots of marathons. I play football (not particularly well) with BCA teachers on a Friday after school. I adore reading, and love the calm tranquillity of our new library in the Chevalley building.

I am really looking forward to meeting with you all in September.
