Dear Parent/Carer,

Primary Parents' Evening – 13th and 14th October 2026

We would like to invite you to attend our Primary Parents' Evenings on **Tuesday 13th October (4pm-6pm online) and Wednesday 14th October (3pm – 6pm in person).** You will have the opportunity to meet with your child(ren)'s teacher for a 10-minute slot.

If you choose an online Parents' Evening slot, you will be emailed a Microsoft Teams meeting link. To join at the time of the appointment. You still need to book this slot via the Arbor App.

The in-person Parents' Evening will take place in the **BCA Theatre** and can be accessed from the main carpark on Parkway. **There will be no access to the theatre from inside the site**, so we ask that you collect your children from class as usual then exit site and make your way to the theatre entrance.

These meetings are a key part of helping your child to thrive at school, and they offer a valuable chance for you to see how your child is getting on: Parents' Evening gives you the opportunity to talk directly with your child's teacher about their progress—both academically and socially. Teachers can share how your child is doing in class, celebrate their achievements, and highlight any areas where they may need a little extra support. This early communication helps us work together to make sure every child has the best chance to succeed.

Strong partnerships between home and school make a big difference to children's confidence, wellbeing, and progress. By attending Parents' Evening, you help us build that partnership and ensure your child receives the support they need both in school and at home. Children are always proud to know that the adults in their life are working as a team and taking an interest in their school experience.

Parents' Evening will appear on your Arbor App as a Guardian Consultation box from Friday 2nd October 2026 and will close the day before each date above. To book your Guardian Consultation appointment times with teachers please follow the guidelines below: The meeting will be limited to 10 minutes. Booking Guardian Consultations (Parent's Evenings) on the Parent Portal or Parent App – Arbor Help Centre

We would like to take this opportunity to thank you for your continuing support with your children's education. If you have any queries regarding this process, please do not hesitate to contact us at the Academy: office@bridgwatercollegeacademy.org
Yours faithfully,
Primary ALT Team
