Dear Parent / Carer,

I am delighted to share that this year Bridgwater College Academy will be celebrating **European Day of Languages** across the whole school, from EYFS through to Year 6.

As the official European Day of Languages falls on a Saturday this year, we will be holding our celebrations on **Friday 25th September**, with activities taking place throughout the school day.

The European Day of Languages is an annual event that celebrates the rich variety of languages and cultures across Europe. It encourages children to develop an appreciation of different languages, traditions and ways of life, whilst promoting the importance of language learning in an increasingly connected world.

Throughout the day, pupils will take part in a range of exciting and engaging activities, which may include:

- Learning greetings and simple phrases in different languages
- Exploring traditions and music from a variety of countries
- Playing language-based games and challenges
- Taking part in creative activities linked to European cultures
- Celebrating the diverse languages spoken within our own school community

The children are required to wear their normal school uniform on this day.

We are looking forward to a fantastic day of learning, curiosity and celebration and hope that all pupils enjoy the opportunity to discover more about the many languages and cultures that make Europe such a diverse and vibrant place.

Thank you for your continued support.

Sam Bevan
