Welcoming New Members of Staff to Our School Community

Dear Parents/Carers,

I am delighted to introduce two new colleagues who have recently joined our school team. We are very fortunate to have recruited talented and experienced professionals who will make a valuable contribution to our school community.

Gemma Clarke - Deputy Designated Safeguarding Lead (Primary Focused)

Gemma joins us as our Deputy Designated Safeguarding Lead, with a particular focus on supporting our primary-aged pupils.

Gemma brings a wealth of experience, having spent the last 12 years working in education across both primary and secondary settings. Prior to her career in education, she worked within the healthcare sector, giving her a broad and varied professional background. Throughout her career, Gemma has demonstrated a strong commitment to supporting children and young people, ensuring their wellbeing and safety remain at the heart of everything she does.

As a proud parent of two teenage children, Gemma understands the importance of creating safe, supportive and positive environments in which young people can thrive. Outside of work, she enjoys going to the gym, walking her dog and, most importantly, spending quality time with family and friends.

Amy Loosemore - Robins Class Teacher (Key Stage 1)

We are also delighted to welcome Amy Loosemore, who joins us as the new Class Teacher for Robins Class in Key Stage 1.

Amy qualified as a Primary Teacher from Plymouth Marjon University and began her teaching career in Devon. She then moved to a specialist special educational needs school, where she gained valuable experience supporting children with language and mobility needs.

Amy later moved to Qatar, where she spent six years teaching Year 1 and Year 2 pupils in an international school following the British Curriculum. During this time, she developed extensive experience

teaching pupils who speak English as an Additional Language (EAL) and enjoyed working in a diverse, international environment.

Amy's breadth of experience, coupled with her passion for providing high-quality education and support for all children, makes her an excellent addition to our primary team. We are excited for the positive impact she will have on the children in Robins Class and across the school.

I am sure you will join me in extending a very warm welcome to both Gemma and Amy. We look forward to the expertise, enthusiasm and care they will bring to our school and know they will quickly become valued members of our community.

Mrs Sarah Evans
Headteacher of Primary
