Autumn Term

Dear Parent / Carer,

Year 4 Online Workshop – Earthquakes and Volcanos.

In Year 4 this Autumn term we are learning about earthquakes and volcanos in Geography.

The workshop date is 6th November. The workshop is an online workshop and within the normal school day.

In this action-packed KS2 workshop, you will meet Violet Cano and Simon Smologist to learn all about the phenomena of Earthquakes and Volcanoes. Travel all over the globe to discover different active, dormant and extinct volcanoes. What exactly is 'inside' a volcano? Classes will also delve into the layers of the earth and its tectonic plates, before learning real earthquake stories and how to stay safe in the wake of this natural disaster.

The cost of this workshop will be £2 per child. Payment will need to be made on Arbor, our Academy payment system. If you are not registered for Arbor and need registration details, please speak to the school office. Please note the cost of this workshop is non-refundable.

Please make your online payment by **Tuesday 16th October.**

If you have any questions or queries, please speak to your child's class teacher.

Yours faithfully,

Miss Bevan, Miss Faulkner, Ms Milby and Mrs Bell
Year 4 Teachers
