Dear Parent/Carer

Re: Inset Day – Monday 5th January 2025

I am writing to inform you of an additional inset day, **Monday 5th January 2026,** which has been added to our school calendar.

Bridgwater College Academy - Term Dates

The Academy has organised an additional INSET day for essential training for our staff to effectively develop and improve critical teaching processes. This will ultimately benefit your children by improving their learning environment.

These changes are important because they will have a real impact on the day-to-day experience of our students, and we strive to create a more inclusive and effective learning environment for all. This will not only improve student behaviour and engagement but also enhance students overall academic outcomes.

Thank you for your continued support for the Academy and your child's education.

Yours faithfully
