Thursday 15th January 2026

Dear Parents, Carers, and Members of the School Community,

We are writing to address recent concerns that have been raised regarding parking around the Nursery, particularly in the area of the Tynte Road roundabout and the private road of Redwood Court.

The health and safety of our pupils, families, staff, and local residents is a top priority for the school. We take all reports of potential safety risks very seriously. In particular, unsafe parking can cause obstruction, reduce visibility, and create hazards for pedestrians, children, and other road users.

We would like to remind all parents and carers that parking on private roads, including Redwood Court, is not permitted. In addition, stopping or parking in a manner that obstructs the roundabout or compromises safety is unacceptable and places others at risk.

We are actively reviewing the situation and will continue to monitor parking at busy drop-off and pick-up times. Where necessary, we will liaise with the appropriate authorities to ensure that road safety regulations are upheld.

We kindly ask for your cooperation in:

- Parking legally and considerately at all times
- Avoiding private roads and restricted areas
- Allowing extra time for drop-off and collection to reduce congestion

In addition, we would like to remind families of pupils in Upper Key Stage 2 who may walk to school independently, that it is essential they do so safely and sensibly. Pupils must:

- Use pavements and designated crossing points
- Remain aware of traffic at all times
- Follow road safety rules and behave responsibly on their journey

We would be grateful if you could reinforce these guidelines at home.

By working together, we can help ensure a safe environment for everyone in our school community and our neighbours.

Thank you for your understanding and continued support.

Yours sincerely,

S L Evans

Mrs Sarah Evans
Headteacher of Primary
