Interim Headteacher of Secondary: Laura Campbell

9th March 2026

Dear Parent/Carer,

Subject: Ofsted Inspection – Tuesday and Wednesday This Week

I am writing to inform you that Bridgwater College Academy will be welcoming a team from Ofsted to the Academy on Tuesday and Wednesday this week.

During this time, inspectors will spend time across both the Primary and Secondary phases of the Academy.

Inspectors will visit lessons, speak with pupils and staff, review safeguarding arrangements, and look at the wider experiences we provide for children and young people. They will also consider how effectively the school supports pupils of all backgrounds and needs, including those with special educational needs and disabilities.

We welcome the opportunity for the inspection team to review the work of the Academy and to provide professional feedback that will help guide the next steps in our continued improvement.

As part of the inspection process, Ofsted would like to hear the views of parents and carers. You will therefore find attached information about the inspection and details of how to complete the Ofsted Parent View survey. This survey allows you to share your experience of the school and the support your child receives.

Your feedback is an important part of the inspection process and helps inspectors to understand the views of our wider community.

Thank you for your continued support of the Academy and for working in partnership with us to ensure that every child achieves.

Yours sincerely,

Laura Campbell
Interim Headteacher

S L Evans
